Proposal No. 3: Revision to Limit of Compensation for Directors (Excluding Directors Serving as Audit & Supervisory Committee Members)

Regarding the limit of compensation for Directors (excluding Directors serving as Audit & Supervisory Committee Members; hereinafter the same applies within this Proposal) of the Bank, it was approved at the Annual General Meeting of Stockholders held on June 29, 2017 to set the maximum amount of compensation for Directors at 270 million yen per year as “base compensation” (including 15 million yen for Outside Directors) and 90 million yen per year as “performance-linked monetary compensation.”

For the purpose of further strengthening corporate governance, the Bank plans to increase the number of Outside Directors. In order to accommodate the increase in the number of Outside Directors, it is proposed to revise the maximum amount of compensation for Outside Directors from 15 million yen to 20 million yen but leave the maximum amount of base compensation for Directors as is.

The “performance-linked monetary compensation” shall be linked to the level of net income.

Compensation for Outside Directors shall solely consist of “base compensation,” and the base compensation and performance-linked monetary compensation for Directors concurrently serving as employees shall not include the employee portion of the salaries (bonuses).

The current number of Directors is fourteen (14) (including two (2) Outside Directors). If Proposal No. 2, “Election of Eleven (11) Directors (Excluding Directors Serving as Audit & Supervisory Committee Members),” is approved as originally proposed, the number of Directors will be eleven (11) (including three (3) Outside Directors).

The Audit & Supervisory Committee examined this proposal but there were no specific findings about this proposal.
